

Title	Firstname	Surname	Hospital	Authors
Peri-operative malnutrition: A survey of UK Perioperative Medicine (POM) Leads	Lewis	Matthews	University Hospital Southampton	Matthews L, Wootton S, Levett D
Nutritional prehabilitation at University Hospital Southampton	Catriona	Brown	University Hospital Southampton	Brown C
Bridging the gap: A quality improvement project to improve the perioperative management of warfarinised patients for elective surgery	Andrea	Ruscitto	St John's Hospital, Livingston	Ruscitto A, Harrington J, McClatchley A, Stetton C, Renton M
Quantifying Risk - More Than Just Numbers	Rhidian	Jones	Princess of Wales Hospital, Bridgend.	Cooper M, Jones R
The use of bioelectrical impedance analysis (BIA) to predict post-operative complications in adult patients having surgery for cancer: A systematic review	Lewis	Matthews	University Hospital Southampton	Matthews L, Bates A, Wootton S, Levett D
A 3-year Retrospective Review of the Anaesthesiology Antepartum clinic for high-risk patients in a large, tertiary hospital in Singapore.	Chau Keen	Chong	Singapore General Hospital	Chau KC, Lim WY, Teo L-M, Mok M
Perioperative Smoking and Flap Survival	Kun	Hwang	Department of Plastic Surgery, Inha University Hospital, Incheon, Korea	Hwang K
Establishing a perioperative anaemic clinic: an innovative collaborative pathway	Wan Yen	Lim	Singapore General Hospital	Lim WY, Teo L-M, Krithikaa N, Hairil RBA
Frailty and surgical outcomes	Thomas	Barnes	Royal Surrey County Hospital, Guildford, UK	Barnes T, Timbrell D, Tomlinson J, Prabhu P
Evaluation of the Establishment of a Geriatric Perioperative Service for Elective Lower Limb Joint Arthroplasty.	Leena	Nagappan	Freemantle Hospital, Perth, Western Australia	Nagappan L, Siriya M, Wong E
Improving peri-operative management of patients with diabetes	Jonathan	Barnes	Great Western Hospital, Swindon	Barnes J, Razzak D, Daryanani A, Sood V, Andrew J, Arede V, Curtis M, Ridgway Z
Qualitative assessment of electronic pre-operative assessment in a district general hospital	Mitul	Patel	Basingstoke and North Hampshire Hospital, Basingstoke, Hampshire, UK	Patel M, Khaghani C, Gregory C
On the day cancellations of elective surgery in a district general hospital	Edward	Davis	Milton Keynes University Hospital	Davis E, Shamsuddin W
Introduction of a referral pathway for elective surgery and its impact on health optimisation - Has it made a difference?	Arjun	Ardeshana	Countess of Chester Hospital NHS Foundation Trust	Ardeshana A, Harrod J
Non-Invasive Positive airway Pressure therapy to Reduce Postoperative Lung complications following Upper abdominal Surgery (NIPPER-PLUS); a pilot RCT	Jane	Lockstone	Launceston General Hospital, Tasmania, Australia	Lockstone J, Parry S, Robertson I, Story D, Denehy L, Boden I

An audit comparing emergency laparotomy care in a DGH to NELA standards . Does pre-operative mortality risk scoring really affect resource allocation?	Conor	Aldworth	Craigavon Area Hospital	Aldworth C
Innovating perioperative anaemia in a district general hospital: challenges and solutions	Jonathan	Barnes	Great Western Hospital, Swindon	Barnes J, Bick E, Robinson N, Cooper N, Record A, Bridgman A, Caldwell S, Mills H, Ridgway Z
Preoperative cardiopulmonary exercise testing and occurrence of acute kidney injury following oesophagectomy for oesophageal cancer	Aikaterini	Papadopoulou	Royal Surrey County Hospital	Papadopoulou A, Timbrell D, Jang M J, Prabhu P, Forni L
Outcomes in Major Colorectal Surgery at Mid-Essex Hospitals	Thomas	Atkinson	Broomfield Hospital, Mid-Essex Hospitals, Chelmsford, Essex. UK	Atkinson T, Hughes A
The Impact of a High-Risk Pre-Assessment Clinic on Outcomes in Major Colorectal Surgery Patients	Robert	Jones	Princess of Wales Hospital, Bridgend	Jones R, Edwards L, Brown H, Funnell A, Jones R
Perioperative anaemia, iron therapy and blood management in patients undergoing elective total laryngectomy	Rachel	Darling	University Hospital Monklands	Darling R, McIntyre C
The usefulness of respiratory mechanic instability in evaluating the effect of continuous positive airway pressure for perioperative obstructive sleep apnea management	Ji	Ho Choi	Department of Otorhinolaryngology-Head and Neck Surgery, Soonchunhyang University College of Medicine, Bucheon Hospital, Bucheon, Korea	Ho Choi J
Outcomes in Elective Nephrectomy at Mid-Essex Hospitals	Thomas	Atkinson	Broomfield Hospital, Mid-Essex Hospitals, Chelmsford, Essex. UK	Atkinson T, Hughes A
STEPS Study: using wearable technology to predict peri-operative high-risk patient outcomes.	Suzanne	Carey-Jones	University Hospital Wales	Carey-Jones C, Davies R, Morgan M, Brownsdon A, Kelson M, Jones L, Riddell N, Thomas R, Davies M, Busse-Morris M
A prospective randomised controlled study comparing C-MAC videolaryngoscope with macintosh laryngoscope for nasotracheal intubations by novices	Reshma	Ambulkar	Tata Memorial Centre	Ambulkar R, Mathew T, Maniraj D, Divatia J
Assessing smoking cessation support in the preoperative setting	King	Sin Ang	Queen's Medical Centre, Nottingham	Sin Ang K, Barrett R, Evans D
Too much of a good thing? Perioperative Hyperoxia	Prakash	Vadukul	Queen Elizabeth Hospital Birmingham	Vadukul P, Ekanayaka A, Patel J

Implementation of a Novel Anaesthetist-Led Perioperative Pain (POpP) Initiative Reduces Acute Postoperative Total OMEDDs Below Preoperative OMEDDs: A Prospective Case Series	Charlotte	Heldreich	Austin Hospital, Heidelberg, Melbourne	Heldreich C, Dube E, Meyer I, Howard W, Oon Tan C, Weinberg L
Post-operative troponin as a prediction tool for complications and patient stay in high-risk patients undergoing major colorectal surgery: A Harrogate Protocol	Thomas	Knapp	Harrogate District Hospital	Knapp TJ, Tan HE, Radcliffe EJ, Collyer T
Opioid prescription and ERAS - aligning the two.	Ciara	Mitchell	Belfast City Hospital	Mitchell C, Brooks J, Cunningham D, Canning P
ERAS+ programme associated with reduced postoperative pulmonary complications (PPCs) after colorectal resection	Muataz	Amare	Salford Royal NHS Foundation Trust	Amare M, Darwin L, Meskill R, Copeland D, Rodriguez P
The effect of a pre- and post- operative exercise programme versus usual care on physical fitness in people with oesophageal and gastric cancers (The PEIOP-OG Trial): study protocol for a Randomised Control Trial	Roisin	Tully	Beaumont Hospital, Dublin, Ireland, Cancer Care West, Galway, Irealnd	Tully R, Loughney L, Bolger J, Coleman C, Arumugasamy M, Murphy T, Collins C, Houlihan E McCaffrey N, Robb W B
Pre-operative intravenous-venous iron infusion (ferrinject) increases serum haemoglobin and reduces transfusion rates in major colorectal cancer surgery	Thomas	Knapp	Harrogate District Hospital	Knapp T, Radcliffe E, Aubin M, Cottam P, Collyer T, Tan HE
Smartphone App versus Physician Based Preoperative Assessment: A prospective observational pilot study	Chiam Pei Yen	Genevieve	Singapore General Hospital	Genevieve CPY, Wong J, Abdullah HR
Patient regret following oesophagectomy: The importance of post-operative quality of life	Christopher	Newbury	University Hospital Southampton	Newbury C, West M, Underwood T, Levett D
Accuracy of ASA physical status scoring in elective surgical patients	Charles	Vickers	Royal free London- Chase Farm Hospital	Vickers C, Campbell N, Sodha S
A single centre review of malignant hyperthermia emergency resources. Are we prepared?	Tessa	Dessain	West Middlesex University Hospital	Dessain T, Tony L, Dabrowska D, Mechoni R
Acute pain after prostatic high-intensity focused ultrasound	Jonathon	Wong	University College London Hospitals	Wong J, Wee L
Preventing Post-operative Delirium in Elective Lower Limb Arthroplasty	Mostafa	Helmy	University Hospital of North Tees & Hartlepool	Helmy M
Cardiopulmonary Exercise Testing in Intestinal Failure Surgery: Potential Marker of Risk	Andrew	Donnelly	Salford Royal Foundation Trust	Donnelly AAJ, Battersby C, Longdon E, Pratt O, Soop M
Long term outcomes of newly diagnosed Atrial Fibrillation in a Preoperative Setting	Jasmine	Wilkinson	Freeman Hospital, Newcastle Upon Tyne	Wilkinson J, Prentis J
Post-operative destination of Colorectal surgery according to CPET results: An Observational Study	Baddegama Hewage Akalanka Mahima	Jayawardena	Broomfield Hospital, Mid Essex NHS Trust	Jayawardena B.H.A.M, Wright C
Use of Oramorph on Discharge in Elective Lower Limb Arthroplasty	Mostafa	Helmy	University Hospital of North Tees & Hartlepool	Helmy M

IV iron: All in the timing?	Claire	Seeley	Royal Berkshire Hospital	Seeley C, Rechner J
Perioperative Medicine Multidisciplinary management of the high-risk surgical patient: The NELA ward round	Padraig	O' Scanail	University College Hospital London (UCLH)	O' Scanail P, Haren A, Hajdu B, Blackwood D, Whitby J, Sarmiento L, Agina M, Greenshields N, Sanusi S, Walker D
External validation and recalibration of the Revised Frailty Index (rFI) for prediction of complications of liver resection surgery in a high volume UK centre	Chloe	Hall	Royal Free London NHS Foundation Trust	Hall C, Chambers T, Curtis S, Melikian C, Milliken D
Impact of a pre-operative anaemia clinic on blood transfusion rates following elective orthopaedic surgery	Priya	Shekar	Queen Elizabeth Hospital, Gateshead.	Shekar P, Lalla S, Bracewell A
Cardiopulmonary exercise testing predicts survival following radical cystectomy	Elizabeth	Longdon	Salford Royal Hospital NHS foundation trust	Longdon E, Mistry H, Pratt O, Donnelly A, O'Neil S, Nachiappan M, Darwin L, Clarke N, Hartley R
Development of a risk model to predict complications of liver resection surgery at a high volume UK centre	Tom	Chambers	Royal Free London NHS Foundation Trust	Chambers T, Hall C, Curtis S, Melikian C, Milliken D
Post-operative Ferinject Usage in Elective Lower Limb Arthroplasty	Mostafa	Helmy	University Hospital of North Tees & Hartlepool	Helmy M
Initial learning from a preliminary process evaluation in the Wessex-Fit-4-Cancer-Surgery trial	Judit	Varkonyi-Sepp	University Hospital Southampton NHS Foundation Trust	Varkonyi-Sepp J, Grimmett C, Grocott M PW, West M A, Bates A, Leggett S, Jack S
Leak Check: The first prospective study to identify perioperative modifiable risk factors for anastomotic leak in colorectal surgery	Muriel	Reudink	MÃ¡xima Medical Center (MMC)	Reudink M, Huisman DE, Slooter GD, Daams F, Bootsna BT, Van Rooijen SJ
Addressing variation as the enemy of quality: a PQIP project.	Anne - Marie	Bougeard	Torbay and South Devon NHS Foundation Trust	Bougeard AM, Squires P
Implementation of a Pre-Operative Diabetes Management Program	Tara	Lenk	Duke University Hospital	Lenk T, Setji T, Whittle J
Taking Perioperative Medicine onto the wards: addressing the gaps in postoperative care.	Anne - Marie	Bougeard	Torbay and South Devon NHS Foundation Trust	Bougeard AM, Swart M, Wright M
Postoperative delirium and anaesthetic management-systematic review	Zhaosheng	Jin	Queen's Hospital, Romford, UK	Jin Z, Rahman A, Pattnaik S
Prehabilitation- a holistic approach	Puneet	Ranote	St George's University Hospitals NHS Foundation Trust	Ranote P, Johnston C
Implementing a perioperative pathway for the identification and management of unhealthy alcohol intake in Cardiff and Vale University Hospital	Catherine	Griffiths	University Hospital Wales, Cardiff	Griffiths C, Hassan I, Usher S
Perioperative Medicine in Action, Bariatric surgery	Selina	Ho	University College London Hospitals	Ho S, Ilczyszyn A, Mon W, Holding J
Audit on Goal Directed Fluid Therapy (GDFT) as part of ERAS in Liver resection	Anand	Arockiasamy Sathiapillai	St James's University Hospital Leeds	Arockiasamy Sathiapillai A, Prasad Rao K, Ward D

Risk prediction and outcomes from an anaesthetic shared decision-making clinic	Helen	Williams	Royal Devon & Exeter Hospital	Williams H, McCormic B, Pittman J
The 'Colchester Older Persons' Evaluation for Surgery (COPEs)' clinic: a multidisciplinary approach to preoperative management of frail, older patients	Zhilin	Jiang	Colchester General Hospital, East Suffolk and North Essex Foundation Trust	Jiang Z, Mathew A, Peck L, Simpson J, Rudra P
Associations between postoperative muscle wasting and postoperative outcomes in older patients undergoing colorectal cancer surgery: a retrospective study	Tanja Elisa	Argillander	Gelre Hospitals, Apeldoorn, The Netherlands	Argillander TE, Spek D, van der Zaag-Loonen H, van Raamt F, van Duijvendijk P, van Munster B
A Perioperative Anaemia Service - A cost effective way of reducing blood transfusions in elective surgery	Imogen	Fecher-Jones	University Hospital Southampton NHS Foundation Trust	Fecher-Jones I, Plumb J, Sheppard L, Edwards M, Levett D, Wakatsuki M
Goal-Directed Fluid Therapy in Renal Transplantation	Dina	Hadi	Royal Free Hospital	Hadi D, Fabes J, Wittenberg M, Almidani A, Banga N, Sarna A, Berry P, Jones G
The role of CPET in preoperative triage.	Jack	Parnell	University Hospital Southampton	Parnell J, Otto J, Rayat G, Reeves T, Jack S, Jones I F, Edwards M, Levett D
Frailty as a predictor of severe postoperative complications in older patients undergoing colorectal cancer surgery: a retrospective cohort study.	Tanja Elisa	Argillander	Gelre Hospitals, Apeldoorn, The Netherlands	Argillander TE, Souwer E TD, Schiphorst A HW, Neijenhuis P A, Dekker J-W T, Sonneveld D JA, Burghgraef T A, van den Bos F, van Munster B C, Portielje J EA
Peri-operative Anaemia Management: A Real-world Experience of the Intravenous (IV) Iron Service at the Surgical Day Unit	Imogen	Fecher-Jones	Southampton General Hospital, UK	Fecher-Jones I, Sheppard L, Plumb J, Edwards M, Levett D, Wakatsuki M
Validation of the Perioperative Nutrition Screen (PONS) against the Malnutrition Universal Screening Tool (MUST)	Jatinder	Pabla	Southampton General Hospital	Pabla J, Rayat G, Otto J, Fecher-Jones I, Levett D
Airway and respiratory-related Adverse Events in Patients Undergoing General Anaesthesia for Elective Gynaecology Surgery: A Retrospective Case-control Study	Angie Au	Yong	KK Hospital	Au Yong PSA, Davies L, Leong Sng B, Ithnin F
COMPASS vs. CPET in risk prediction prior to Abdominal Aortic Aneurysm Surgery	Sarah K	Taylor	James Cook University Hospital	Taylor S K, Roberts T P, Danjoux G
The Impact of a Perioperative Medicine Programme on postoperative outcomes of Urological Patients.	Imogen	Fecher-Jones	University Hospital Southampton NHS Foundation Trust	Fecher-Jones I, Murfin J, Edwards M, Smith J, Grocott M, Levett D
The influence of intrathecal morphine on the incidence of respiratory depression amongst patients undergoing major liver resection.	Raymond	Hu	Austin Hospital, Heidelberg, Victoria, Australia	Hu R, Ganatra S, Weinberg L
HIGH RISK ANALGESICS & PERI-OPERATIVE INTERVENTION	Kate	Little	Newcastle Upon Tyne hospitals NHS trust	Little K, McCone E, Prentis J
